San Luis Obispo County Parks

Nipomo Community Park Bandstand Appropriations Budget Request for 57,000.00 Quimby

Mission: Build a Bandstand at the Nipomo Community Park, "Paul Teixeira Rotary Bandstand"

Main Sponsor: Rotary Club of Nipomo

Cost of completed project: \$99,000.00

County Parks Contribution: \$57,000.00

Rotary Club of Nipomo: \$42,000.00

The Rotary Club of Nipomo wishes to take the lead in the design-build of this community park improvement. The Bandstand will be a centerpiece within the park and a designated meeting area and stage for major community events such as the October Festival, Kids Day at the Park, and June Festival. The Bandstand will be used for performing arts, dance, festival activities and public address, weddings and more. It is our mission to provide a complete set of building and engineered structural plans to see through a limited controlled volunteer assist build project with County Parks' supervision. We are requesting Quimby funding for the project. The Rotary Club of Nipomo wishes to name it after our late 4th District Supervisor Paul Teixeira. "Paul Teixeira Rotary Bandstand".

Location: See Nipomo Park Master Plan and attached site plan.

Designer: Ariel Zarate

Engineer: Daniel Hill 5:2 Engineering, P.E.

Builders: Rotary Club of Nipomo

Volunteers: Labor and Equipment where needed.

Sponsor donations: community and Quimby funds

Maintenance costs: Purpose and safety lighting. Paint from parks every ten years labor by Rotary Club of Nipomo volunteers.

Cost to County: Concrete Material, Steel Fabrication, Wood and Hardware, Electrical Supplies and maintenance lighting. See cost sheet summary.
